THE SENIOR CLASS

CAPITOL HILL HIGH SCHOOL

Oklahoma City, Oklahoma

1930

Volume IV

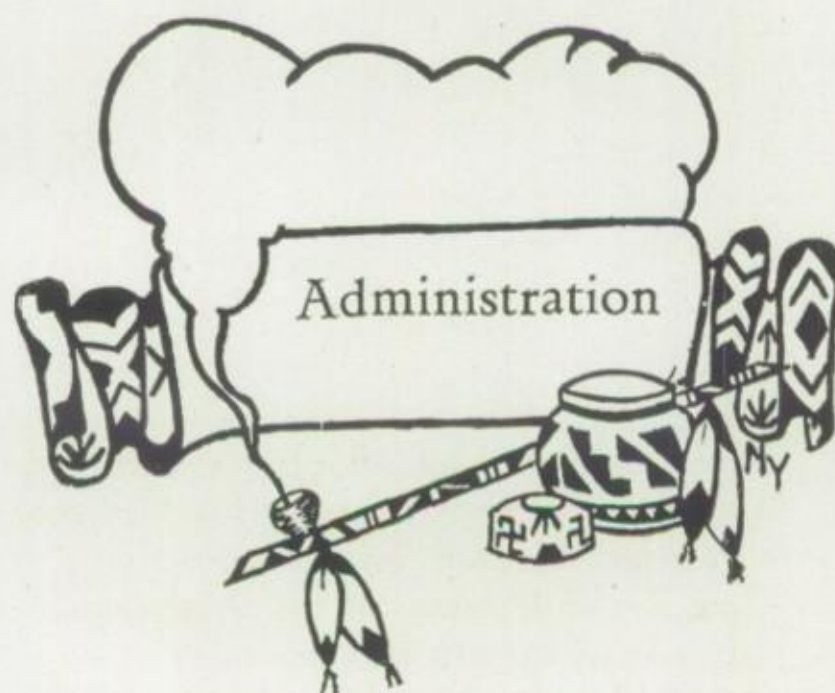

FOREWORD

May this Chieftain, as the years pass,
Plant the seeds of living memory,
So that we will forget never
Our school days which now are passing.
Quickly, quietly, are they flitting
To return again—Nay! Never!
If this Chieftain fills its purpose,
We, the staff, most happy will be,
For it has no other purpose
Than to bring back memories pleasant.

DEDICATION

The traditions now established
Are the lights by which we traveled
On our journey through this highschool.
Courage, loyalty, endeavor,
Are the mileposts on our highway
Shown us by our predecessors.
So, to former Redskin classes
We, the senior class of '30
Now do dedicate our Chieftain,
In remembrance of their valor
And their spirit and devotion
To the school which we now cherish.

MR. J. R. BARTON

To Mr. Barton, and to the Board of Education, whose untiring efforts and personal interest gave Capitol Hill its new high school, the class of 1930 acknowledges with deepest gratitude and sincere thanks a great debt. May we, and the following classes, prove our appreciation by taking advantage of the many opportunities made possible by your efforts.

MR. A. H. PARMELEE

In recognition of one whose noble character and splendid leadership for many years have made our high-school life profitable, and most pleasurable, the first graduating class of the new Senior High School, takes this means of perpetuating cherished memories of our beloved principal, Mr. A. H. Parmelee.

The Parent-Teacher Association of Capitol Hill High School holds its meetings on the second Friday of each month. Programs are arranged that will inform the patrons of the type of work being done that there may be better understanding and co-operation between students, faculty, and patrons.

During the first semester, a drive for old clothes was conducted for the clothing room of the P. T. A. Council, and assistance was given in the "Back to Youth" night observed in October.

In the second semester, the State P. T. A. Convention was held in our city, and this unit helped most willingly in the entertainment of the visitors.

SENIOR CALENDAR

- Sept. 9. School again! Pipe the new building! Gee, ain't it a pip?
- Sept. 19. "Our Nell" chosen president. Seniors always get the best.
- Oct. 11. Boo! Hoo! It rained on the pretty red caps the seniors made for the Red-skin-Norman Football game.
- Oct. 31. Halloween Assembly. "Wee Willie" Haller Says: "Even a football hero can't graduate without burning a little midnight oil."
- Nov. 15. Seniors threw a swell luncheon for the old grads. Even the speakers were good. No wonder—part of 'em wuz seniors.
- Dec. 17. Dignified seniors gave class Christmas party for underprivileged children.
- Dec. 20. A let-up on the pore seniors. A relax from the grind of studying.
- Jan. 6. Vacation couldn't last forever.
- Jan. 27. A new semester and a lot of new seniors.
- Mar. 21. Coronation of Edna and Carl as Princess and Chieftain.
- Apr. 18. Alumni Day! Even they admit ours is the best crop.
- May 9. Senior Play! Wuz it a wow? Well, I hope.
- May 23. Junior-Senior Reception—One time when they all dolled up.
- May 25. Baccalaureate Sermon.
- May 27. Commencement. Caps, gowns and sheepskins (it won't be long now).
- May 30. Hot dog! Is everybuddy heppy? What! Do I see a few tears? Aw, them's just crocodile tears—yuh can't fool me. Anyway, school's out! !

Sophomore Class

SOPHOMORE HISTORY

"Large and Growing" seems to have been the motto of the sophomore class for the beginning enrollment of five hundred has steadily increased throughout the school year. From this large group was chosen the boys' debate team for the school; one of the members, Curt Shadrick, tried out and was given a place on the team while he yet was a 9A.

J. F. Malone filled his place as president so well during the first semester that he was chosen to succeed himself.

Under the sponsorship of Ruth Woodson and Bill Haller, the class has made noticeable progress.

A skating party on March 13 proved to be the activity that went far toward unifying the class.

The future looks bright for the sophomore class, and present records reveal a future class of most illustrious students.

THE BUREAU OF PUBLIC RELATIONS

One of the busiest departments in Capitol Hill High School is the Bureau of Public Relations. This department is maintained to provide numbers of an entertaining nature, that will acquaint the public with the high character of work done in our school. During this year the available numbers have been the Boys' Quartet, Girls' Quartet, Girls' Trio, The Harmony Girls, The Saxophone Quartet, The Little German Band, and piano, violin, flute, clarinet, saxophone, and vocal soloists, as well as readers and speakers from the Public Speaking Department.

The Little German Band has been in great demand all year. They made the trip to Little Rock with the football team, where they were very enthusiastically received. In this group are some of our best musicians.

THE HARMONY GIRLS

Odessa Smith, Melba Mustoe, Flora Lee Vinsant, Margaret Bowman.

The Harmony Girls are also well known. These girls have played before luncheon clubs all over the city, as well as before many women's clubs and in numerous churches and schools. Two of the girls, Odessa Smith and Margaret Bowman, will graduate this year, leaving the quartet after a period of several years during which they have all played together.

Besides the smaller organizations named above, the band and orchestra and the jazz orchestra have been called for. Mention must also be made of the Boys' and Girls' Choruses, for these groups have given great pleasure wherever they have sung.

Perhaps the high light in the experiences of the Bureau has been the exchange assembly programs that have been given at El Reno High School and at Guthrie High School. These schools in turn, have presented assembly programs in our school.

Hazel Blevins, Carolyn Smith, Thelma Binda, Maybelle Krob.

Curt Shadrick, J. F. Malone, Donald Whitbeck, Alvin Turner.

DEBATE

Although the debate teams did not win a championship this year, they made a record that the school can be proud of.

The girl's team won four out of six debates. They won a double decision from Norman and tied with El Reno and Chickasha. They tied with Chickasha for first place in the number of debates won. Capitol Hill was given second place because Chickasha had won eleven decisions, while Capitol Hill had won ten.

Members of the Girls' team were: affirmative, Maybelle Krob and Thelma Binda; negative, Carolyn Smith and Hazel Blevins.

The boys' team won three out of six debates. They won a double decision from Norman, tied with Classen and lost a double decision to Chickasha. The boys also won second place in the conference.

Members of the boys' team were: affirmative, J. F. Malone and Curt Shadrick; negative, Ralph Whitbeck and Alvin Turner.

DEPARTMENT OF PHYSICAL EDUCATION

Capitol Hill has been exceedingly fortunate in the personnel of its athletic department. Ed. F. Stephenson, who has been football coach for the past four years, came to us from Kansas. He was educated at Emporia College, Emporia, Kansas, where he won letters for three years in football, basketball, baseball and track. He made the All Conference Team for three years at tackle. To this training has been added eight years of successful coaching experience. Past successes notwithstanding, "Steve" leaves the coaching field next year to take up regular classroom teaching.

Basketball in Capitol Hill has been under the tutelage of "Bill" Haller for three years. He is a graduate of Oklahoma University, where he lettered two years in football, and three years in basketball and track. Himself an athlete of versatility, he proved a real coach as well, producing the city championship team this year. He is especially apt at developing new material, and in coming seasons, we should have many more championship teams.

Swimming, baseball, and track have been under the direction of Vernon Kennedy who has had charge of boys' gym classes, too. This is Kennedy's first year at coaching. He is a graduate of Missouri State Teachers College at Warrensburg. While in school, he set a new Missouri record for discus and javelin, and in 1927 he set a new decathlon record at Penn Relays. In 1929, he set new records for javelin, shot put and the discus. We look for great results from Mr. Kennedy.

Mary Harper Richert has been in charge of Physical Education for girls for the last several years. She is a graduate of Kansas State Teacher's College at Emporia, and has done special work in Oklahoma and California. Under her direction, Capitol Hill has had championship teams in swimming, hockey, volleyball. She has brought girls' sports to the front in our school.

BASEBALL

Although the baseball schedule for this year is short, the prospects of a good season are favorable. Not many of last years men are out, but the large crop of new material looks promising. Every year shows an increasing interest in baseball, and as our school grows we can expect to win championships in baseball as well as other sports.

BASKETBALL

For the first time in history, Capitol Hill has captured the city championship in basketball, winning from Classen twice and Central once in order to do it. One of the records set by the team was the winning of fourteen straight games.

The three outstanding players of the squad were Borthick, Sage, and Pepper. They have played together for three years, and have accounted for the major portion of points scored by the Redskins. Sage and Pepper graduate this year, and Borthick in January, 1931.

On the squad were John Comer, Lamar Castle, Allen Mozy, John Drake, Ralph Borthick, Jimmie Henderson, Carl Ingram.

Charles Munson, Carl Pepper, Roy Borthick, Dan Muse, Cecil Pepper, Willis Stine, Lonnie Sage. Mr. Wm. Haller was Coach.

Left to right: Bonnie Smith, Martha Weibel, Dorothy Moore, Agnes Leverich, Beleta Meek, Helen Leverich, Coach Mary Richert, Susie Bocock, Captain Ruth Craig, Edna Lack, Blanche McMahon, Pauline Oldham and Geneva Johnson.

AS
WE
WERE

Farewell!

From our school has gone the Chieftain,
Ne'er will he return unto us,
For the press of time upon him
And the changes brought by progress
Made him falter on his journey,
Faint, and fall, and none revived him.
Him we loved, and grieved greatly,
But we know that it is better,
Better far that he hath left us.
Juniors take this consolation
That to fill the Chieftain's footprints
There will come a better product,
New and with the marks of progress,
Leading you to greater efforts,
More worth while than any Annual.
We, the Seniors, now departing,
Wish for you success and pleasure
As you take the places we leave.
So your magazine will fill the
Vacancy our Chieftain leaves here.
These the wishes of our Staff are.
